To Whom it May Concern:

As the Executive Director of the International Society for Ethical Psychology and Psychiatry (ISEPP), I want to thank you for considering a gift to WARFIGHTER ADVANCE. As they establish the organizational branding around the highly effective and proven "ADVANCE 7-Day Training Op" and stand-up their own 501(c)(3), we have gladly adopted this as a Special Project and have entered into a Fiscal Sponsorship Agreement in support and oversight of their efforts.

WARFIGHTER ADVANCE Executive Director, Dr. Mary Vieten, has been a long-standing and valuable member of ISEPP. She and The ADVANCE Team are doing great work in service to those who have served us so faithfully. I, too, have worn the cloth of this country and know well the unique value The ADVANCE 7-Day Training Op offers our Warfighters.

The International Society for Ethical Psychology and Psychiatry, Inc. (ISEPP) is a 501(c)(3) tax-exempt organization. For more information please see www.psychintegrity.org.

If I can be of any assistance, please feel free to contact me.

Sincerely,

Chuck Ruby, Ph.D
Lieutenant Colonel (retired), USAF
